

Redstone Arsenal Access

1. CAC holders will have access as usual to RSA
2. For all NASA and non-CAC-holding personnel need to stop at the Redstone Arsenal Gate 9 Visitors Center with valid identification (e.g., US drivers license, passport) to be registered into their system. This is a one-time stop at the visitor center. Driver's License is used to enter RSA after being added to the system.
3. Gate 9 Visitor Center Hours: 7:00am to 5:00pm

MSFC Access on Redstone

1. With registration for DoD HFE TAG, each registrant will be added into NASA's Enterprise Visitor Management Center (EVAMS). Once entered into the system, registrants will receive an email to register in EVAMS. This is for all registrants.
2. Foreign Nationals (FN) should have already been submitted for access. FNs will need to have an escort at all times. No FN cell phones or devices of any kind are allowed on site.
